### Terms

#### Disclaimer:

The Management of Pestimators Pest Control, and all Staff will endeavor to use only SABS approved chemicals which are in most cases still hazardous and harmful to pets, people and the environment, therefore all precautions are taken to ensure safety of all where possible. None of the Pestinator Pest Control Management team and their staff shall in anyway be held responsible for any injury, damage to property or the loss thereof, and can also not be held responsible for any illness, any damage or death for any reason as a result of use of these chemicals, foundation and other drilling, spraying or fumigation. Although the utmost care are taken when chemicals are being used, Pestinator SA Pest Control Services can also not be held responsible for the damages that might be caused by the chemicals as a result of usage, which includes chemicals that may mark surfaces, the release of gas and its effects, water and damaged pipes and pipe lines, electrical equipment, and damaged vent lines that may be encountered
